VA To Reimburse NARTE Certification Cost

On March 1, 2001 the Department of Defense approved NARTE Certification for the purpose of training veterans and other eligible students. The VA will reimburse military personnel for their NARTE Certification. This entitles all active duty, Reserve Component personnel, and military retirees who are eligible under various entitlement programs (Montgomery GI Bill (MGIB), Veterans Education Assistance Program (VEAP), etc.), to receive reimbursement for professional certification or licensure.

Under the provisions of Title 38, U.S. Code, Section 3675, CFR 21.4253, military personnel will be reimbursed upon becoming NARTE Certified. This will help military personnel gain a valuable credential for the Job Market; gain skills for a Technical Career and the VA will reimburse the NARTE Certification cost.

For further information, or reimbursement application forms, please contact NARTE at 1-800-89-NARTE or email us at: narte@narte.org.
